

EMPOWER

SHAPING NEXT GENERATION OF LEADERS IN GLOBAL HEALTH

“Universal health coverage needs global public health leaders with vision and the capability to bring about change. Empower’s work in leadership and human resources for health has played a vital role in creating global impact.”

*His Excellency John A. Kufuor,
Former President of Ghana*

in collaboration with:

Dr. S Y Quraishi, Former Special Secretary to Govt. of India, Chief Election Commissioner of India and Advisor to Empower

Dr. Tedros Adhanom, Director General of the WHO with Prof. Lalvani, Director, Empower

Dr. Ferozuddin Feroz, Minister of Public Health, Afghanistan with Ms. Sangeeta Tikyani, Associate Director, Empower

Mr. Elhadj As Sy, Secretary General of the IFRC with Prof. Lalvani

Minister Awa Marie Coll-Seck, Advisor to President of Senegal, Former Minister of Health of Senegal with Prof. Lalvani

“Leadership provides direction, strength and guidance. The right leaders with the right tools, can save even more lives.”

GOAL

The goal of our leadership programs is to help shape a shared vision, assist health professionals in building continuously learning organizations, and meet the health targets of their countries.

UNIQUE VALUE PROPOSITION

COLLABORATING PARTNERS

Empower is a global health academic, research and consulting institute, which focuses on empowering individuals and communities. Empower has delivered over 1 million hours of online and in-classroom training across 50 countries and 50 organizations. Empower has worked with various UN agencies like UNDP, WHO, UNRWA, UNFPA, UNOPS and UNAIDS. Empower has also supported various Ministries of Health across the globe (India, Ethiopia, Philippines, Nigeria, Sudan, South Sudan, Zambia, Zimbabwe etc.) and International NGOs such as Red Cross, Care International among others. Empower has also worked for various donor agencies including The Global Fund, Gates Foundation, World Bank, Department for International Development (Dfid), UKAID and USAID.

The John A. Kufuor Foundation was founded in 2010 by H.E John Agyekum Kufuor. The John A. Kufuor Foundation (JAKF) is registered under Ghana's Companies Codes, 1963 (Act 179) and is recognized as a Non-Governmental Organization. The Foundation is an independent and non-profit institution dedicated to the promotion and sustainability of Ghana and Africa's development. It is inspired by the founder's passion for practical and sustainable development and aims at advancing effective leadership, good governance and socioeconomic development.
